Some Baite Gaits.

The Canvassers at Work.

NEW YORK, November 11.- Yail and Express says: The office counting of ballots . n every county of the state is now in progress. The work will be very thorough. Neither party yields an inch. Every figure will be closely seruin zed in the countles of the state. A week is usually consumed. For the work in this city and Kings county less time is required. Four years ago the offic a canvass of the state was not completed till November 30th, over a week distant. the count.

NEW YORK, November ... - To day at noon in the count, and spectators. Among the awyers present representing the republican nationa and state committees were Wm. M. Garence A. Seward and William A. en. 5 16 But er and democratic national and state committees were represented by General Francis C. Bar ow, Frank n Bartlett, Aaron & Vanames C. Carter.

those having business with the board should. Greene and New York. be a lowed to remain in the room curing its session. This was laid on the labe. The requisite poards were appointed on protests, supervising of returns, etc. Wm. P. Kra (Tammany) reac a protest against any votes being counted har were cast for Wm. R. Grace for mayor, or the ground that it has Been publicly and semi-officially asserted and be leved by many people that Grace was referred to the committee on protests. The inc stricts to be canvassed. board then adjourned until to-morrow.

The Kings county board of canvassers met to-cay. A number of citizens were present as were a so counse representing the repubica and democratic nationa and state committees. John Y. McKans was elected chart until to morrow. man and the usua committees appointed, after which the poard went to work on the

Severa, count es have reported their official canvass up to 2 p. m. out in none of them have any notable changes taken place. One county found arregularities that compeled adjournment unti co-morrow. These in egularities were however purely technica. The macainery in New York and Kings county will move slowly and no statement of final resu is will be obtained for some days.

NEW YORK, November 12 -The board of county canvassers resumed its session to day. The room was also with repus cans and awyers representing the republican and democratic parties. Committees on protested and corrected returns were appointed and the canvass of the First assembly distric; was begun. It was found alter proceeding a short way that the democratic electoral toket was not properly alled in and that there were e erica discrepancies or omissions. On motion he whole a strict was referred to the 1,526, Butler 4, St. John 89. committee on corrected returns.

The Yad and Express this afternoon says: The official canvass of the vote in this state as a progress to-day. Hew changes were made by the canvascers yesterday. It is now generally concecned that the vote of countre above garlem bridge cannot be changed to affect Cleveland's plurality. An accidenta error may entirely wipe out the plurality, and on this able are based the topes of the republicates At midnight, brity of the axy rountes big ben best from officially.
